

A Little Bit Goes a Long Way

We are so proud of our Culinary Interns and have seen firsthand what a huge impact the program has on our youth. Our Internship wouldn't be possible without the help of people like you.

Wondering how you can help? Perhaps you can sponsor an intern yourself or gather a few friends and do it together. Possibly you can sponsor an intern as a church, organization or business. We will send you a picture of the intern you are sponsoring. If you are local you can come to a dinner that they prep, cook and serve to see them in action. Presently we are taking applications for the next internship. Each sponsorships are \$350.00 per youth.

We are BELIEVING BIG. Don't think for one minute that you are not all a part of our "MISSIONS' team. No matter how many volunteers we have, without your financial support how could we do what we do? Those of you committed to giving monthly truly keep the overhead current so we can keep the momentum going. Right now we are at an all-time low and truly rely on your faithfulness.

We truly pray we can provide the right environment to give kidz a broader vision for their future. With every prayer and dollar, you entrust to us we have the chance to rescue another life. "Northeast Gateway to Freedom" is a not-for-profit, 501C3 organization, supported by generous people contributing their time, energy, prayers and finances. On the behalf of all of us at NGTF and our collaboration of volunteers, we send the biggest thank you all.
