# Help us RESCUE a child

Many of our communities children roam the streets with nothing to do. Nearly all the budget cuts have discontinued activities for Kidz, which leaves them on the streets, unaccompanied and unfortunately

**HUNGRY!!! 16 million children in America suffer from hunger.** The numbers are surprising. We pledged our commitment for our second year, to make a safe haven for our Kidz.

**You can be part of the solution.** For \$25.00 a week we provide a year round home like environment with a home cooked nutritious dinner, activities in the summer, homework help during the school year, and a host of varieties of life skills to mentor Kidz in their purpose and destiny. To top it off we provide school supplies and offer a weekly bountiful box of groceries for their financially challenged families.

# Pledge to SPONSER a child

# Rescue our City's Youth

Give our communities youth a hope and a future.

**Surprisingly!** Getting a job under the age of 18 is nearly impossible, leaving many financially challenged teenagers

board and without purpose. So many of our teenagers are unaccompanied minors living on their own fending for themselves. As we pioneered our first internship initiative this summer, we discovered **teen hunger** to be one of the major reasons for crime in our city's streets. With nearly all the budget cuts cutting youth activities we believe our internship can begin to solve the problem.

Help collaborate with our Internship Initiative. For every intern that is sponsored a youth is rescued from the streets and given a powerful leadership opportunity.

For \$50.00 a week we provide mentorship, mock job interview training, money management, character development, life skills, gift card for necessities, a weekly bountiful box of these financially and so much more. these future leaders

groceries to help challenged youths Your support for is invaluable.
